CNET NOTICE 5103

Subj: CHIEF OF NAVAL EDUCATION AND TRAINING OCCUPATIONAL SAFETY AND HEALTH (OSH) MANAGEMENT EVALUATION, TRAINING SAFETY REVIEW, AND FIREFIGHTER TRAINER CERTIFICATION SURVEY SCHEDULE FOR FISCAL YEAR 2003

Ref: (a) OPNAVINST 5100.23F  
(b) CNETINST 3541.1D  
(c) CNETINST 1500.20D

Encl: (1) FY03 OSH Management Evaluation, Training Safety Review, and Firefighter Trainer Certification Survey Schedule

1. Purpose. To issue a consolidated FY03 OSH Management Evaluation, Training Safety Review, and Firefighter Trainer Certification Survey Schedule for Chief of Naval Education and Training (CNET) subordinate commands and other activities conducting CNET high- or moderate-risk training.

2. Background

a. Reference (a) requires headquarters commands to:

(1) Evaluate the results of mishap prevention efforts.

(2) Review the activity self-evaluation and the quality, effectiveness, and implementation of the activity self-assessment improvement plan.

(3) Review compliance with NAVOSH program requirements, including reference (a).

b. Reference (b) requires the Training Performance Evaluation Board (TPEB) to conduct a certification survey of all Navy activities conducting live firefighting training using CNET-approved curriculum. This survey evaluates whether the activity is providing a realistic training environment without exposing students and instructors to unacceptable risks.

08 AUG 1992

c. Reference (c) requires the TPEB to conduct scheduled safety reviews of commands teaching high- and/or moderate-risk courses on a 3-year cycle. Areas of evaluation will include safety administration, curricula safety, evolution and equipment safety, and instructor qualification and certification.

3. Action

a. The TPEB will coordinate with, and forward a letter of notification to, the command to be evaluated not later than 90 days in advance of the evaluation date provided in enclosure (1).

b. OSH Management Evaluations will be conducted per reference (a).

c. Firefighter Trainer Certification Surveys will be conducted per reference (b).

d. Training Safety Reviews will be conducted per reference (c).

e. Current CNET reorganization may result in unplanned changes to this schedule.
