## FUNCTIONS OF NAVCONSTRACEN, GULFPORT

1. Carry out all regulations, instructions, and directives from higher authority pertaining to the administration of NAVCONSTRACEN Gulfport; issue such detailed internal instructions, regulations, orders, and notices as are required for the efficient organization and administration of the command.
2. Provide existing courses, or specially tailored adaptations thereof, as directed by CNET to meet the training requirements of the Navy and, to the degree necessary, the Marine Corps, Army, Air Force, Coast Guard, foreign nationals under the Military Assistance Program or Foreign Military Sales, and civilian personnel attached to Navy industrial activities.
3. Ensure successful and uniform accomplishment of training in accordance with prescribed course material; require high standards of qualification for instructors and students. In furtherance of these objectives, carry out on a continuing basis an evaluation of instruction and the complete learning environment.
4. Make recommendations to CNET regarding the design and development of new course material and any necessary changes to that already established.
5. In support of Navy policy emphasizing the importance of military and motivational training and in recognition of the effect such training has on retention, upgrading professionalism, and improving the perception of the Navy, ensure that the military and motivational aspects of training are given strong emphasis equal to the emphasis afforded the technical areas.
6. Maintain and operate training equipment, devices, and aids; maintain operational equipments assigned for utilization in the training program.
7. Exercise effective control over the financial operations within the command through sound accounting principles and progressive modernization of programming, budgeting, accounting, and statistical reporting and auditing practices under the Resources Management System of the Department of the Navy.
8. Exercise control over numerous management programs and functional areas inherent of a naval shore activity which should include, but not be limited to, retention, 3-M, occupational safety and health, traffic and recreational safety, internal

review, equal employment opportunity, command managed equal opportunity, and other similar management programs.

9. Maintain close liaison with the Local Area Coordinator, or such other commander as may be designated in writing, for emergency and disaster preparedness matters.

10. Administer Special Construction Battalion Training (SCBT) to Naval Mobile Construction Battalions and other DOD agencies as required.

11. Serve as a Base Audiovisual Service Activity (BAVSA) for NAVEDTRACOM within Gulfport, MS geographical area by providing central management of audiovisual resources and services to authorized activities. Included are the design, production, distribution, application, and evaluation of products in video, graphic arts, aids, and displays; and any other services as authorized.

12. Administer and provide support to detachments and conduct periodic inspections to ensure compliance with applicable instructions with a reporting of discrepancies to next higher appropriate authority. Issue mission and functions directives for detachments in accordance with reference (b).

13. Keep CNET advised regarding the general progress and results of training being conducted in the command.

14. Perform such other functions as may be directed by CNET.
