(b) SECNAVINST 4950.4
(c) DoD 5105.38-M

1. Purpose. To promulgate policy and assign responsibilities within the Naval Education and Training Command (NAVEDTRACOM) for the ILP.

2. Cancellation. CNETINST 4900.1D

3. Background. Reference (a) provides overall guidance on Department of Defense (DOD) security assistance policy, planning, and programming matters. Security assistance is an "umbrella" term that encompasses those programs, actions, and initiatives, both foreign and U.S. originated, involving Foreign Military Sales (FMS), International Military Education and Training (IMET), Foreign Military Financing Program (FMF), Grant Aid, Foreign Military Training (FMS and IMET), and International Logistics. Reference (b) provides guidance on Department of the Navy (DON) foreign training including considerations for training related to ILP transactions. Reference (c) provides execution guidance on all aspects of DOD security assistance programs. (R)

4. Policy. The NAVEDTRACOM material management practices and procedures shall fully comply with the policies of the above references in support of the ILP.

5. Responsibilities

a. As the Chief of Naval Education and Training's (CNET) agent for the Security Assistance Program, the Naval Education and Training Security Assistance Field Activity (NETSAFA) is responsible for the coordination of the NAVEDTRACOM ILP. In this capacity, NETSAFA shall:

(1) Maintain surveillance over the total NAVEDTRACOM ILP functions.

(2) Establish and maintain liaison for the ILP with Navy International Programs Office (Navy IPO); Naval Air Warfare Center, Training Systems Division (NAVAIRWARCEN TRASYSYSDIV); Naval Inventory Control Point (NAVICP); and system commands for training material provided to foreign governments. (R)

(3) Ensure that all ILP requests for training material under the cognizance of CNET are processed in a proper and timely manner.

(4) Prepare, submit, and substantiate the NAVEDTRACOM ILP budget.

b. Addressees shall respond to NETSAFA ILP requests and work assignments. Representative tasks are:

(1) Cost and lead time estimates for procurement or stock issue of training materials.

(2) Equipment test and evaluation, removal, rework and repair, packaging, preservation, and/or handling of training material.

(3) Reproduction of ongoing NAVEDTRACOM curricula for transfer to foreign navies.

(4) Reproduction of graphics.

(5) Procuring or requisitioning other services in support of the ILP as required.

(6) Accumulating statistical data for ILP budget development and support.

(7) Ensuring timely and effective responses to NAVEDTRACOM ILP requirements.
